

# WAMBUNYA HASHOLD SANYA

## ABOUT ME

I have a clear mind with a practical approach to problem-solving and a drive to see things through to completion. I am eager to learn, I have a genuine interest in the IT world and always want to see things working using technology. In the process of my pursuit for academic knowledge, I have learnt to be disciplined, the importance of prioritizing my studies, taking note of time while doing my work with the right standard.
